VIRTUAL SUMMER CAMP

Come join this virtual science summer camp through Zoom! Each day will be centered around a science topic. Topics include: plants, animals, the ocean, the forest, stars and space! We will complete a science experiment and craft each day as Mrs. Powell guides you through! Mrs. Powell has been a science teacher for 14 years, has worked as an outdoor educator and science teacher in the county for the last 6 years. Supplies will be provided for you at a pick up location in Shell Beach. An optional field trip to end our week will take place on Friday June 26th at 9AM at the Shell Beach tidepools.

JUNE 22–26 FROM 1:30–2:30PM

***OPTIONAL FIELD TRIP ON FRIDAY TO THE TIDEPOLS AT 9AM**

\$25

To register, call the Recreation Division at (805) 773-7063 or visit www.pismobeach.org/recreation
