NOTED DEFICIENCIES with respect to general conformance with the approved plans or in load path, and proposed corresponding corrective actions: (A final report by the structural observer which states that all observed deficiencies have been resolved is required before acceptance of the work by the building official.)

I DECLARE THAT THE FOLLOWING STATEMENTS ARE TRUE TO THE BEST OF MY KNOWLEDGE:

1. I am the engineer or architect retained by the owner to be in responsible charge for the structural observation in accordance with the requirements of the City of Pismo Beach Building Division.
2. I, or another engineer or architect who I have designated above and is under my responsible charge, has performed the required site visits at each significant construction stage to verify if the structure is in general conformance with the approved plans and specifications.
3. All noted deficiencies which remain to be corrected have been indicated above.
4. I recommend that acceptance of the structural system by the City of Pismo Beach be withheld until all observed deficiencies are corrected.
