DISCOUNT PARKING
FOR COMMUNITY CITIZENS

The City of Pismo Beach proudly offers special benefit parking privileges to select people within our community. If you are a resident, business owner or business employee in the City of Pismo Beach, we have a deal for you!

Because you are important, special parking discounts have been arranged for you to park in specific designated parking lots at greatly reduced prices. The program requires a completion and approval of an application and a permit assigned to the designated vehicle. Then discount parking is yours!

PAID PERMIT LOTS

THE LEGAL STUFF

Proof of ownership/participation will be verified prior to issuance of the discount permit and is the responsibility of the participant to provide needed verification, as mandated by the Parking Division before issuance.

Verification in the form of utility bills, property tax bills, business licenses, employment verification and the like will be used as verification for the discount permit plan. All documentation copies will be held by the Parking Division for the duration of the issued parking permit and re-verification will be necessary for each permit bought and issued.

Parking permits do not guarantee a specific parking space nor guarantee that a parking space will be available for a permit holder, as parking spaces are offered on a first-come, first-served basis. Permits are non-transferable and non-refundable.

Permits are only for the designated issued vehicle and specific parking locations, as noted in the application process. The map above shows the designated parking locations available to discount permit holders. Permits are not valid in the City Pier Parking Lot or for use on streets designated as “pay to park” or “timed parking”.
